RE: Special Promo Code - CLUB

I am writing this letter to introduce Times Square Suites and to offer members of Courtenay & Dist. Fish & Game Protective Association a special promotion on future stays.

We are an apartment hotel in downtown Vancouver's West End, minutes from attractions and transportation connections. We have one, one + den, and two bedroom suites which all have full-size kitchens, in-suite laundry and HD television. Wi-Fi is complimentary, as is access to a fitness facility with pool. Our property has a rooftop patio with BBQ that offers a view of Stanley Park, Coal Harbour and the North Shore mountains. We are unique in offering the comfort of home with the perks of a hotel.

By using the special promo code - **CLUB** - members receive the following rates:

- **One Bedroom Suite \$129 October-April/May, June, September \$139/July, Aug \$180**
- **All other suites 20% off regular rate all year round**
