

For the Good of the Club

Returnable items can easily be taken to a Return-It kiosk and donated to the club for a multitude of projects!

Put your returnables (pop cans & bottles; liquor bottles; dairy cartons & jugs, etc) in a clear plastic bag and take them to a Return-It Express. You do not need to sort them. All go in one bag!

Using the phone number 2503380850, Print off a label at the machine, and stick it on your bag. Drop the bag in the indicated opening and you're done! Thank you!

You can find a Return-It Express at 493 Puntledge Road in Courtenay. The Express kiosk is inside.

They are open Monday to Saturday, 9:00 am – 5:00 pm

Thank you!
