CAMPGROUND REGULATIONS

Welcome to the Courtenay Fish & Game Campground. The facility is for the exclusive use of current Members and their registered guests, and in order to make your camping experience and that of your neighbors as enjoyable as possible, we ask that you review and adhere to the regulations outlined below. We hope you enjoy your wonderful facility and wish you a great holiday experience.

Site Occupancy

1. There are 54 sites available for rental in various areas and configurations. When checking in at the Campground office, the Manager will detail what is available for rental. Check-in is 12:30PM and checkout is 11:00AM. If a Member leaves the evening before checkout, the site will stay vacant until 12:30PM next day.
2. Sites are allocated on a first come first served "in person" basis. No reservations will be accepted. Members may call the Campground Manager at 250-338-5159 to inquire as to availability of sites but no site will be held.
3. Members must come to the Campground office and select and pay for their site for the duration of their stay. Another Member may select and pay for night 1 on behalf of a Member joining him/her, both subject to the following:
4. Sites will be held until 7:00PM for occupancy and setting up of the camping equipment to be used by the Members. If not in place by 7:00PM, or as extended by the Campground Manager at his/her sole discretion, the site will be put back up for rental, and the payment for that night forfeited.
5. ***Once a site has been paid and allocated, it will not be acceptable to park a lawn chair or pup tent type structure on the site for several days before the actual camping unit is placed. This is a backhanded way of reserving a site and will not be allowed. For example, if you wish to camp the long weekend and come out the prior Tuesday to ensure a site, and pay for 7 days, your equipment must be in place for the 7 days, and attended at least once a day by the renting member regardless of actual occupancy. The same day 7:00PM rule above applies. The rental may be cancelled at the Manager's discretion if this rule is abused.***
6. Rental rate is \$20.00 per night per site, rates include GST. ***All rentals are non-refundable. There are no weather refunds or rain checks.***
7. Sites may be occupied by a member for a maximum of 10 days in a calendar month per CVRD regulations, and include 1 weekend. After the Member has occupied the site for 10 days, he/she will be eligible to return in the next month for further camping, up to a maximum of 10 days each time, on the same basis, subject to availability. Your stay may be extended on a day to day basis only, at the sole discretion of the Campground Manager and subject to availability and demand. If another member has requested your site when your 10 days is up, any extension will be subject to a move if available.
8. If a site is booked for 1 to 10 days and during the occupancy a second Member joins the occupying Member, the joining Member must vacate on the original checkout date with the original Member.
9. Members staying for shorter terms than 10 days will be eligible to return after 24 hours for further camping until their aggregate reaches 10 days, when the calendar month rule will be implemented and the cycle started over. Members wishing to extend their current stay must notify the Campground Manager by 8:00PM and pay for the additional day(s). Failure to do so may result in their site being rented to another Member.
10. ***Waterfront sites A through G have been the subject of a Provincial Riparian Restoration Order, along with the former day picnic area between those sites and the boat ramp. The restored area is separated from the allowable use area by a fence, which is bisected in 2 places by a 2-meter-wide beach access corridor. Please respect the restoration and remain outside the fenced area which is deemed "No Access" under the Order.***
11. All vehicles, and camping units must be contained within the bounds of the rented site. No blocking of roadways or hampering egress from the sites will be permitted.

Campsite Etiquette

12. **Courtenay Fish & Game Campground is a family facility and occupancy must reflect that fact. Membership of persons so involved may be subject to review of the Ethics Committee or the Board and may be cancelled without appeal.**
13. **From time to time it may be necessary to close some sites to members in order to accommodate participants in hosted events, or Board approved work parties or Association events.**

Please thoroughly clean your site when checking out. Police your area and pick up any garbage, butts, cans, bottles - you know the drill. Recycle bins are located throughout the campground. Clean your fire pit and make sure no cans, diapers, garbage or similar items are in the pit.

19. ***No guest vehicles are to be parked in the campground - they must be parked in the Clubhouse parking area and the guests walk in and advise the Manager whom they are visiting, unless the main hall is rented for a function. Parking is available in the lot at the base of the road leading to the upper ranges. Temporary access is allowed to drop off or pick up supplies & people but the car is to be moved out when done.
